

— A WALK TO REMEMBER —

Law Enforcement Officers, families and friends from across the metro are invited to join the Kansas City Police Officers Memorial Foundation for this special day as we honor our fallen law enforcement officers during National Peace Officers Week.

The day begins with a 5k walk around the Kansas City Zoo. This unique opportunity allows families to see the animals before the zoo is open to the public. Families who do not want to tackle a full 5k can enjoy a 1 mile commemorative walk.

- \$24/person (kids 2 and under free)
- 5k/1 mile memorial walk
- Free catered lunch
- Free ride wristbands for the train, tram and carousel
