The rank and file enthusiastically support the Board of Police Commissioners selection of choice of Major Rick Smith as the next Police Chief of the Kansas City Police Department. The men and women of this department deserve a strong leader and Major Smith has proven to be a man of integrity and is well respected throughout the department.

Major Smith knows this department and this community and can immediately affect change.

We look forward to working with Major Smith to address the serious concerns facing our officers and our community. We appreciate all of the time and hard work the BOPC put into this selection process to come up with two very qualified candidates. We wish Police Chief Keith Humphrey the best and he proved to be very qualified and a man of integrity and honor.
